The Wilmington Senior Center (WSC) was officially established on July 6, 1956 as the first senior center in Delaware. WSC has a long history of serving the City of Wilmington, offering activities and services to the 50+ community. The vision of our founders was fulfilled as hundreds of active seniors were attracted to the center for trips, teas, classes, counseling and card parties.

Today the WSC is thriving, offering even more activities and classes. Our Grandparent and Caregiver Resource Center provides one-to-one assistance, referrals and advocacy. The WSC has been able to remain a thriving part of the City of Wilmington due to the generous support of members and the local community. Thank you to the community, businesses, corporations, foundations and others who have been an integral part of making the Wilmington Senior Center a vital community resource!
